

M.Sc. "Land Use Transformation"						
Wintersemester (ab 26/27)						
Block	Uhrzeit	Montag	Dienstag	Mittwoch	Donnerstag	Freitag
1	08:00h - 09:30h	International Management *			Transformative Learning *	
					Sustainable Resource Management *	
					GIS and Environmental Modelling (ab WS27/28)	
2	09:45h - 11:15h	International Management *		Soils for Climate Change Mitigation and Adaptation*	Transformative Learning*	Scientific Work*
				Sustainable Crop Production *	Sustainable Resource Management *	
					GIS and Environmental Modelling (ab WS27/28)	
3	11:30h - 13:00h	International Management *		Soils for Climate Change Mitigation and Adaptation *	Transformative Learning*	Scientific Work*
		Sustainable Supply Chain Management * (ab WS27/28)		Sustainable Crop Production *		
				Applications of Artificial Intelligence	Turfgrass Culture *	
4	13:15h - 14:45h	International Management *		Agriculture, Environment and Nutrition Policy Kruppa-Scheetz	Transformative Learning *	Scientific Work*
					Turfgrass Culture *	
		Sustainable Supply Chain Management * (ab WS27/28)	Agriculture, Environment and Nutrition Policy *		Restoration Ecology*	
5	15:00h - 16:30h	International Management *	Agriculture, Environment and Nutrition Policy *	Transdisciplinary Project	Transformative Learning *	Urban Forestry *
		Sustainable Supply Chain Management * (ab WS27/28)			Restoration Ecology *	
6	16:45h - 18:15h	International Management *	Sustainable Transformation**	Transdisciplinary Project	Transformative Learning *	Urban Forestry *
		Sustainable Supply Chain Management * (ab WS27/28)				
7	18:30h - 20:00h		Sustainable Transformation**	Transdisciplinary Project	Transformative Learning*	

* geblocktes oder 14-tägiges Modul: findet nicht wöchentlich statt, kann später im Semester beginnen – siehe einzelne Termine in Tabelle

Stand 29.06.2026

** Sonderverlauf - dieses Modul trifft sich immer Dienstags jedoch zu unterschiedlichen Uhrzeiten (keine Überschneidungen mit anderen MLT-Module) s. gesonderten Ablaufplan
