Retraction of: *Scientific Reports* <https://doi.org/10.1038/s41598-024-59416-6>, published online 03 May 2024

The Editors have retracted this Article.

After publication, concerns were raised about the animal work reported in this paper. The Animal Ethics Committee of Butantan Institute confirmed that the approval granted to the Authors for their research on snakes (*Bothrops jararaca*) did not include newborn snakes or the use of the “soft stepping” method.

All authors disagree with this retraction.
